

Cut out the above sector clusters and attach them to the main map below. Some suggestions:  
 Terran sectors work great above The Vault between the map legend and Unknown Sector.  
 Kha'ak sectors can go in the gap between Sacred Relic and Sanctity of Corruption.

- Argon
- Teladi
- Pirate
- Boron
- Terran
- Kha'ak
- Paranid
- Goner
- Xenon
- Split
- Yaki
